

## The STEM Connection - Program Facilitator 2022

The STEM Connection (TSC) is a non-profit organization aimed at facilitating hands-on, minds-on, feet-on-the-ground science, technology, engineering, and math experiences at Moore Road Farm and other educational sites. TSC's 30-acre outdoor learning site at Moore Road Farm is in the Traders Point Rural Historic District located on the northwest side of Indianapolis. The ecosystems of the farm include a deciduous forest, Eagle Creek, crop fields, and a garden open for exploration and learning. Programming is built on the Indiana Academic Standards and is connected with ongoing conservation projects that honor the land and waterways of Indiana and seeks to grant access to those underrepresented in STEM fields. TSC is committed to being diverse, equitable, inclusive, and accessible.

**Core Values:** We take care of ourselves, others, and our earth.

### Job Description

### Requirements

- Associate's or Bachelor's Degree in education or a STEM-related field preferred
- At least three years of experience working with children
- Ability to complete tasks in a professional, effective and efficient manner
- Strong oral and written communication skills
- Ability to work as part of a team and also independently
- Coachable and a lifelong learner
- Desire to move the mission and vision of TSC forward
- Ability to work flexible hours
- Google Docs or PowerPoint, Word and Excel experience a plus
- Completion of TSC Onboarding, Youth Protection Training, CPR Certification
- Attendance at summer training and staff meetings throughout the year

### Benefits

- Opportunity to be a part of a professional, award-winning nonprofit making a difference for children
- Flexible schedule
- Competitive compensation
